June 2019

Dear Parent/Guardian:

In recent years, the college admissions process has become more competitive. In order to have the best chances for success, your child will need to do well on the SAT.

One of the best ways to prepare for the SAT administered by the College Board is to sit for the PSAT/NMSQT prior to taking an actual SAT. After the exam, your child will have complete access to his/her actual exam for the purpose of utilizing it as a study guide and will have online access to PSAT study guides and tutorials provided by the College Board.

Please keep in mind, that although students may take the PSAT as tenth graders, they must take the exam again as an eleventh grade student to be eligible for the National Merit Scholarship Competition.

Please go to: <http://www.collegeboard.com/student/testing/psat/about.html> to learn even more about this test.

The 2019 administration of the PSAT/NMSQT will be on Saturday, October 19, 2019, at 8:00 a.m. at Comsewogue High School. In order to ensure that your child will be administered the exam, you will need to complete the enclosed registration form and return it along with the registration fee to the Comsewogue High School Guidance Department.

In the fall, the Guidance Department will be following up with your son/daughter to provide more specific information prior to the test date. If you have any questions regarding the PSAT/NMSQT at this time, please do not hesitate to contact Mrs. Clarissa Porrello, our District Subject Leader of Guidance, at 474-8184.

Sincerely,

Michael Mosca
Principal
