September 2023

Dear Parent/Guardian:

Your child is registered to take one or more courses in the 2023-2024 school year that are part of the Suffolk County Community College Beacon Program.

A list of courses that are SCCC eligible are included with this letter.

In an effort to clarify some questions that have arisen in the past, please refer to the information below.

- SCCC Beacon is a concurrent enrollment program where students can earn both high school and college credit for each SCCC course taken at their high school.
- SCCC Beacon courses differ from AP in that students enrolled in the program will receive an additional college academic transcript.
- College credits earned with a grade of "C" or better are accepted by a wide range of colleges/universities throughout the country. In general, other SUNY institutions accept these credits.
- Colleges/universities outside the SUNY system make the determination as far as acceptance of credit on an individual basis. Students are advised to contact individual colleges/universities and request course transfer policies.
- Students cannot receive both AP and SCCC credits.

Please refer to the Beacon website in order to sign up and pay. To sign up please go to **beacon.sunysuffolk.edu**. The Beacon Registration and Parent Consent portal is open from Thursday, September 7, 2023 and closes Friday, September 29, 2023. Payment must be made in full by October 4, 2023. Tuition bills will be viewable only in the Beacon Portal and payment should be made on the Beacon portal as well.

Should you have any further questions regarding this program, please contact Mr. Cherouvis at (631) 474-8180.

Thank you,

Christopher Cherouvis
Assistant Principal
